

**Managed Internet Service Request for Proposal Announcement
The Indianapolis Public Library**

The Indianapolis-Marion County Public Library (IndyPL) is requesting proposals from qualified Vendors to provide managed internet service at two of its main locations. IndyPL is also seeking proposals to provide ISDN PRI voice trunks. The services described in the Request for Proposal (RFP) are to begin on **July 1, 2015**. The RFP provides the requirements and evaluative criteria for Internet and ISDN services and requests a detailed response from all prospective vendors, including pricing and service descriptions, in a specified format. The library will entertain proposals with a term of up to 36 months in length.

The RFP can also be found on the website at: www.indypl.org on the “Doing business with the Library” section.

All Vendors considering submission of a proposal and desiring to be included in this RFP process should submit the name, company, address, phone number, fax number and e-mail address of a person who shall be the single point of contact and questions to: Debra Moos Champ, Director of Technology at dchamp@indypl.org; by the end of the day, October 7, 2014.

Thank you for your interest in working with the Library,
